Welcome to Guglhupf!

For over 40 years, the Guglhupf inn has stood for the best Hessian and regional cuisine.

We value artisanal culinary skills and use only fresh, predominantly regional products. On our menu you will find traditional classics such as Handkäs mit Musik (a type of cheese with onions and caraway seeds), Liver with apple and bacon, or Frankfurter Schnitzel, as well as fine seasonal specialties.

Our 16-member kitchen team, led by head chef Gerhardt Kalus, prepares all dishes fresh daily from 11:30 am to 9:30 pm. Please understand that this may occasionally lead to slightly longer waiting times or minor variations in the taste of natural products. If you have any dietary restrictions, please inform our service team – we will adjust your dish accordingly.

Our air-conditioned dining rooms offer the utmost comfort. The bright conservatory with up to 80 seats and the cozy farmhouse-style room with around 50 seats invite you to linger and enjoy. Whether it's a wedding, birthday, christening, confirmation, or funeral reception – celebrate with us in a stylish and welcoming atmosphere.

In summer, our beer garden with over 140 seats is the perfect place to enjoy the warm days in a relaxed atmosphere. For every occasion, we create menus individually according to your wishes and possibilities.

We look forward to welcoming you as our guests.

Hubert Binder
and the entire Guglhupf-Team
